

Konstantinos Sitaras

Junior Software Engineer | Full-Stack Developer

Thessaloniki, Greece | kostassitaras1@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#) | +30 690 791 3886

PROFESSIONAL SUMMARY

Final-year B.Sc. student in Applied Informatics at the University of Macedonia, expected to graduate in September 2026, with two courses remaining. Hands-on familiarity with Java, JavaScript, React, Node.js, SQL, MySQL/MariaDB, Git and Linux, supported by academic study and independent technical practice. Four years of customer-facing sales and hospitality experience have strengthened communication, teamwork, adaptability and problem-solving skills. Seeking a Junior Software Engineer or Full-Stack Developer role to contribute to real-world products and continue developing as an engineer.
